BUSINESS REVIEW – GROUP RESULTS

For the six-month period, the Group's turnover was Rs. 6,373 million, registering an increase of Rs. 748 million (13.30%) over the same period of previous year. The increase reflects upside in sales of blades, battery and pharmaceutical products.

Segment wise sales is as follows:

Segment	(Rupees in millions)		
	Sales		
	Half Year December 31, 2019	Half Year December 31, 2018	+/- %
Blades	3,397	3,243	4.75%
Soap	455	489	-6.95%
Corrugation	900	904	-0.44%
Trading	58	45	28.89%
Pharmaceutical	243	190	27.89%
Bike	85	156	-45.51%
Battery	1,235	598	106.52%
Total	6,373	5,625	13.30%

For the six months period under review, Operating Loss is Rs. 317 million which shows reduction in loss by 51% over corresponding period last year. Reduction in loss is attributable to increased sales volumes resulted in improvement in absorption of fixed costs, partially offset by depreciation of PKR against USD that caused higher input cost. Loss after tax is Rs. 1,190 million which is 33% higher compared to last year same period. The increase in loss is primarily due to higher financial charges attributable to increase in policy rate along with increased level of borrowing. This level of loss has delivered a negative EPS of Rs. 6.92 per share compared to Rs. 5.41 per share last year same period.

Financial Plan

As already communicated, spin off Battery segment from its subsidiary (First Treet Manufacturing Modaraba) to separate Company (Treet Battery Limited) is in progress. Execution of demerger plan is underway. Currently, regulatory and legal approvals are being sought from Financial Institutions and Regulators. Efforts are being made to improve the cost structure of the Battery project to bring in cost efficiencies along with plans to reduce the leveraging of the project.

Acknowledgements

We place on record our gratitude to our valued customers for their confidence in our products and pledge to provide them the best quality by continually improving our products. We would also like to thank all our colleagues, management and factory staff who are strongly committed to their work as the success of your Company is built around their efforts. Independent Auditor's Review Report to the members of Treet Corporation Limited

Report on Review of Condensed Interim Unconsolidated Financial Statements

Introduction

We have reviewed the accompanying condensed interim unconsolidated statement of financial position of **Treet Corporation Limited ("the Company")** as at 31 December 2019 and the related condensed interim unconsolidated statement of profit or loss, condensed interim unconsolidated statement of comprehensive income, condensed interim unconsolidated statement of changes in equity, condensed interim unconsolidated statement of cash flows, and notes to condensed interim unconsolidated financial statements for the six-month period then ended (here-in-after referred to as the "interim financial statements"). Management is responsible for the preparation and presentation of these interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these financial statements based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial statements are not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

Other matter

The figures of the condensed interim unconsolidated statement of profit or loss and condensed interim unconsolidated statement of comprehensive income for the quarter ended 31 December 2019 and 31 December 2018, have not been reviewed and we do not express a conclusion on them.

The engagement partner on the review resulting in this independent auditor's report is Mr. Kamran Iqbal Yousafi

4.1 Change in significant accounting policies

The Company has adopted IFRS 16 'Leases' from 01 July 2019 which is effective from the annual periods beginning on or after 01 July 2019.
