

Mr. Saad Iqbal

Mr. Saad Iqbal is a dynamic and accomplished business leader, recognized for his entrepreneurial vision, strategic leadership, and ability to transform challenges into sustainable business opportunities. With a strong commitment to continuous professional development, Mr. Iqbal has acquired extensive knowledge in business management, finance, capital markets, and corporate governance from renowned national and international institutions.

Mr. Iqbal holds a Bachelor's degree in Business Communication from Curry College and a Postgraduate Diploma in International Business Management from Kingston University. He has further enhanced his professional expertise through specialized certifications, including Finance for Non-Financial Managers from Lahore University of Management Sciences (2011), Capital Markets and Finance from Karachi School of Business & Leadership (2011), and Financial Modeling from Institute of Business Administration Karachi (2012).

He is also a Certified Director from the Institute of Chartered Accountants of Pakistan (2014), reflecting his commitment towards strengthening corporate governance practices. He has also been recognized as an Independent Director on the database of the Pakistan Institute of Corporate Governance.

Mr. Iqbal commenced his professional journey with his family business, where his entrepreneurial approach and strategic direction contributed significantly to the expansion of the group into diverse sectors, including renewable energy and technology-driven ventures. Over the years, he has played a pivotal role in establishing, managing, and scaling various businesses while creating sustainable value for stakeholders.

Currently, Mr. Saad Iqbal serves as Chief Executive Officer and Director of several companies and continues to contribute his expertise and leadership to various listed and unlisted organizations.
